

Yaroslav IVANOV

Yaroslav Ivanov was appointed Deputy Chair of the State Property Fund of Ukraine for Digital Development, Digital Transformation and Digitalization on September 29, 2026.

Yaroslav Ivanov has more than 19 years of professional experience, a significant part of which is related to information technology, IT management, digital solutions, and the implementation of technology projects.

Yaroslav holds three higher education degrees. In 2006, he obtained a Bachelor's degree in Information Security; in 2007, he obtained a Specialist qualification in Administrative Management in the Field of Protecting Information with Restricted Access. In 2024, he earned a Master's degree in Economics.

Yaroslav began his professional career in the field of software and computer hardware sales and subsequently worked in project management and information technology. He has held senior positions related to the development of IT functions, management of technology teams, and implementation of digital solutions.

As Deputy Chair of the State Property Fund of Ukraine, Yaroslav Ivanov is responsible for digital development, digital transformation and digitalization, as well as for the development of modern digital solutions across the Fund's operations.
